U= Words

<b>Casting time:</b> 1 action
<b>Range:</b> 30 feet
<b>Components:</b> V,S
<b>Duration:</b> 1 minute

A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration or until you dismiss it as an action. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again.

You can use your action to control the hand. You can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial. You can move the hand up to 30 feet each time you use it. The hand can't attack, activate magic items, or carry more than 10 pounds.

<b>Minor Illusion</b>
Illusion Cantrip
Casting Time: 1 Action
Range: 30 Feet
Components: S, M (a bit of fleece)
Duration: 1 Minute

You create a sound or an image of an object within range that lasts for the duration. The illusion also ends if you dismiss it as an action or cast the spell again.

If you create a sound, its volume can range from a whisper to a scream. It can be your voice, someone else's voice, a lion's roar, a beating of drums, or any other sound you choose. The sound continues unabated throughout the duration or you can make discrete sounds at different times before the spell ends.

If you create an image of an object—such as a chair, muddy footprints, or a small chest—it must be no larger than a 5-foot cube. The image can't create sound, light, smell or any other sensory effect. Physical interaction with the object reveals it to be an illusion, because things can pass through it.

If a creature uses its action to examine the sound or image, the creature can determine that it is an illusion with a successful Intelligence (Investigation) check against your spell DC. If the creature discerns the illusion for what it is, the illusion becomes faint to the creature.

## 1st Level Spells

<b><i>Unseen Servant</i></b>
<i>1st-level conjuration (ritual)</i>
<b>Casting Time:</b> 1 action
<b>Range:</b> 60 feet
<b>Components:</b> V, S, M (a piece of string and a bit of wood)
<b>Duration:</b> 1 hour

This spell creates an invisible, mindless, shapeless force that performs simple tasks at your command until the spell ends. The servant springs into existence in an unoccupied space on the ground within range. It has AC 10, 1 hit point, and a Strength of 2, and it can't attack. If it drops to 0 hit points, the spell ends. Once on each of your turns as a bonus action, you can mentally command the servant to move up to 15 feet and interact with an object. The servant can perform simple tasks that a human servant could do, such as fetching things, cleaning, mending, folding clothes, lighting fires, serving food, and pouring wine. Once you give the command, the servant performs the task to the best of its ability until it completes the task, then waits for your next command. If you command the servant to perform a task that would move it more than 60 feet away from you, the spell ends.

<b>Sleep</b>
Enchantment
Casting Time: 1 action
Range: 90 feet
Components: V, S, M (a pinch of fine sand, rose petals, or a cricket)
Duration: 1 minute

This spell sends creatures into a magical slumber. Roll 5d8; the total is how many hit points of creatures this spell can affect. Creatures within 20 feet of a point you choose within range are affected in ascending order of their current hit points (ignoring unconscious creatures).

Starting with the creature that has the lowest current hit points, each creature affected by this spell falls unconscious until the spell ends, the sleeper takes damage, or someone uses an action to shake or slap the sleeper awake. Subtract each creatures' hit points from the total before moving on to the creature with the next lowest hit points. A creature's hit points must be equal to or less than the remaining total for that creature to be affected.

Undead and creatures immune to being charmed aren't affected by this spell.

At higher levels. When you cast this spell using a spell slot of 2<sup>nd</sup> level or higher, roll an additional 2d8 for each slot level above 1<sup>st</sup>.

**Witch Bolt**

1st-level evocation

**Casting Time:** 1 action

**Range:** 30 feet

**Components:** V, S, M (a twig from a tree that has been struck by lightning)

**Duration:** Concentration, up to 1 minute

A beam of crackling, blue energy lances out toward a creature within range, forming a sustained arc of lightning between you and the target. Make a ranged spell attack against that creature. On a hit, the target takes 1d12 lightning damage, and on each of your turns for the duration, you can use your action to deal 1d12 lightning damage to the target automatically. The spell ends if you use your action to do anything else. The spell also ends if the target is ever outside the spell’s range or if it has total cover from you.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the initial damage increases by 1d12 for each slot level above 1st.

***Silent Image***

*1st-level Illusion*

**Level:** 1

**Casting time:** 1 Action

**Range:** 60 feet

**Components:** V, S, M (a bit of fleece)

**Duration:** Concentration, up to 10 minutes

You create the image of an object, a creature, or some other visible phenomenon that is no larger than a 15-foot cube. The image appears at a spot within range and lasts for the duration. The image is purely visual; it isn’t accompanied by sound, smell, or other sensory effects.

You can use your action to cause the image to move to any spot within range. As the image changes location, you can alter its appearance so that its movements appear natural for the image. For example, if you create an image of a creature and move it, you can alter the image so that it appears to be walking.

Physical interaction with the image reveals it to be an illusion, because things can pass through it. A creature that uses its action to examine the image can determine that it is an illusion with a successful Intelligence (Investigation) check against your spell save DC. If a creature discerns the illusion for what it is, the creature can see through the image.

**At higher levels:** When you cast this spell using a spell slot of 2nd level or higher, the spell creates one more dart for each slot above 1st.

***Chromatic Orb***

*1st-level evocation*

**Casting Time:** 1 action

**Range:** 90 feet

**Components:** V, S, M (a diamond worth at least 50 gp)

**Duration:** Instantaneous

You hurl a 4-inch-diameter sphere of energy at a creature that you can see within range. If the attack hits, the creature takes 3d8 damage of the type you chose.

**At Higher Levels.** When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each slot level above 1st.
